

## Tourism Brands

[www.TourismBrands.net](http://www.TourismBrands.net)

*Updated March 23, 2018*

- Featuring more than a dozen **sets** of powerful, intuitive and strategic tourism/travel brands...**for direct sale by the current owner** at prices that are only a **fraction** of those charged for similar premium brands by commercial domain name sales agencies (eg. HugeDomains, UniRegistry) on behalf of international speculators. *[See the list at the end of this document for typical examples of the pricing levels imposed by these massive companies. Most of my lapsed **secondary** brand inventory in 2015-17 was picked up instantly by these virtual monopolies – or an aggressive Chinese firm in some cases – and immediately put back on the market for thousands of dollars each!]*
- In many cases, these domains have no active or effective competition, and are ready to implement, either as exclusive primary brands or as alias/redirects/campaign pages for existing sites.
- Fast, efficient, practical and economical: these incomparable set purchases translate to incredible value, especially when purchasing multiple sets at the same time (see below).
- Effective average prices per individual domain in this collection are about 1/10<sup>th</sup> of comparable agency-marketed listings!
- Secure these important brand channels while you still can. Please contact me at [KeithBaldwin@gmail.com](mailto:KeithBaldwin@gmail.com) or call me at **250-589-2143** to ensure the best selection!

### Bundle Pricing Discounts:

Bulk purchases are encouraged through generous discounts (you won't see this with agencies!)

2 Sets: **10%** off      3-4 Sets: **15%** off      5-6 Sets: **20%** off      7-9 Sets: **25%** off      10+ Sets: **35%** off

### Transfer Fees:

All incremental costs related to transfer to the buyer's registrar shall be the responsibility of the buyer.
