

# Tourism Brands

*Updated August 21, 2017*

- Featuring dozens of sets of powerful, intuitive and strategic tourism/travel brands...**for direct sale by the current owner** at prices that are only a fraction of those charged for similar premium brands by commercial domain name sales agencies on behalf of international speculators.
- In most cases, these domains have no active competition, and are ready to implement, either as exclusive primary brands or as alias/redirects/campaign pages for existing sites.
- Fast, efficient, practical and economical: set purchases translate to incredible value, especially when purchasing multiple sets at the same time (see below).
- Average prices per individual domain in this collection are in the \$300 range, versus **10 times that amount** (or more) for comparable agency-marketed listings.
- Secure these important brand channels while you still can. Please contact me quickly to ensure the best selection!
